

Raising up a generation of Catholic disciples who pray and impact their localities with the Gospel

Information Event for Clergy, Catechists and Parents— would your young people like to join theASCENT?

Our Diocese is lucky enough to be a host location for this national project, which is a fantastic opportunity for **young people in years 10, 11 and 12** to grow in faith and community with other young Catholics.

Young people are gently accompanied by young adult mentors, attend life changing residential retreats, and develop a real passion for prayer and a desire to impact the world around them.

We know that deciding to take part in theASCENT is a really big commitment, so we are offering the chance for people to find out more by attending a **'Come and See' information session** where you can meet the team, talk to other participants and discuss whether this is the appropriate next step for a young person in your Parish, Confirmation/ Youth Group or family.

"theASCENT has changed my life. I try to live everyday with God, and see how he sees, and love like he loves, and in his joy, and it's changed everything."

**The information session will be held
online on Tuesday 23rd May
7.30pm—8.30pm**
