Exodus Scripture Reflection Day

Saturday 24 June

From 10.00am

Our Lady of Sorrows Parish Centre, Bognor Regis

Saturday 24th June is a day for everybody in the deanery.

In the morning David Beresford will help us get to grips with the second book of the Bible - we can ask some questions and get some answers, hear the great Good News of God's plan for us all, and enjoy a cup of tea or coffee with each other.

If you have the time, stay for the afternoon, where we will pray together before the Blessed Sacrament and conclude with a time of sung worship and prayer.

Taking time to stop, catch our breath, connect with others, and reconnect with God, helps us in our lives, our ministries, and our work.

There is no charge, but the reward of growing in our faith and growing into our deanery family is priceless. Please bring a packed lunch if you are staying for the afternoon time of prayer.

Put the date in the diary, and invite your friends!
